Summary

A self-driven, Science & Technology-enthusiastic, and looking for positions in the IT industry to enhance my career within a company that would enable me to expand my knowledge and develop the skills that benefit me, the organization, and the nation.

Technical Skills

- SQL
- .NET basics
- CATIA V5

Personal Skills

- Organizational Skills
- Leadership
- Problem Solving
- Punctuality
- Enthusiasm
- Position of Responsibility

Experience

- I am currently undertaking a .NET internship in COEPD that has provided me with hands-on experience over the last three months. During this time, I have gained valuable skills in both front-end and back-end web development. I am confident in my ability to create and design user-friendly website.
- Diploma Trainee in research and development department in bharat heavy electricals limited.

Education

- Bachelor of Technology in Mechanical Engineering (2023) with an aggregate of 7.6 CGPA from Anil Neerukonda Institute of Technology.
- Diploma in Mechanical Engineering (2020) with an aggregate of 68.7% from Government polytechnic college.
- SSC (2017) with an aggregate of 8.7 GPA from Abhyudaya High School.

Project Details:

- **Mini project:**
Designing a Plummer block in catia V5
- **Main project:**
influence of friction stir processing on microstructure and mechanical properties of aa6061-sic hybrid composites

Deceleration:

- I do hereby confirm that the information furnished above is true to the best of my knowledge and belief
